

About BOOK CLUB SETS

Goldfields
Library
Corporation

Sets of books especially for the use of book clubs are available FREE for loan from Goldfields libraries.

There are over 300 different titles to choose from (see the printable list on the website). New titles are added regularly.

EACH Book Club set comprises ten numbered copies in a zip-up bag.

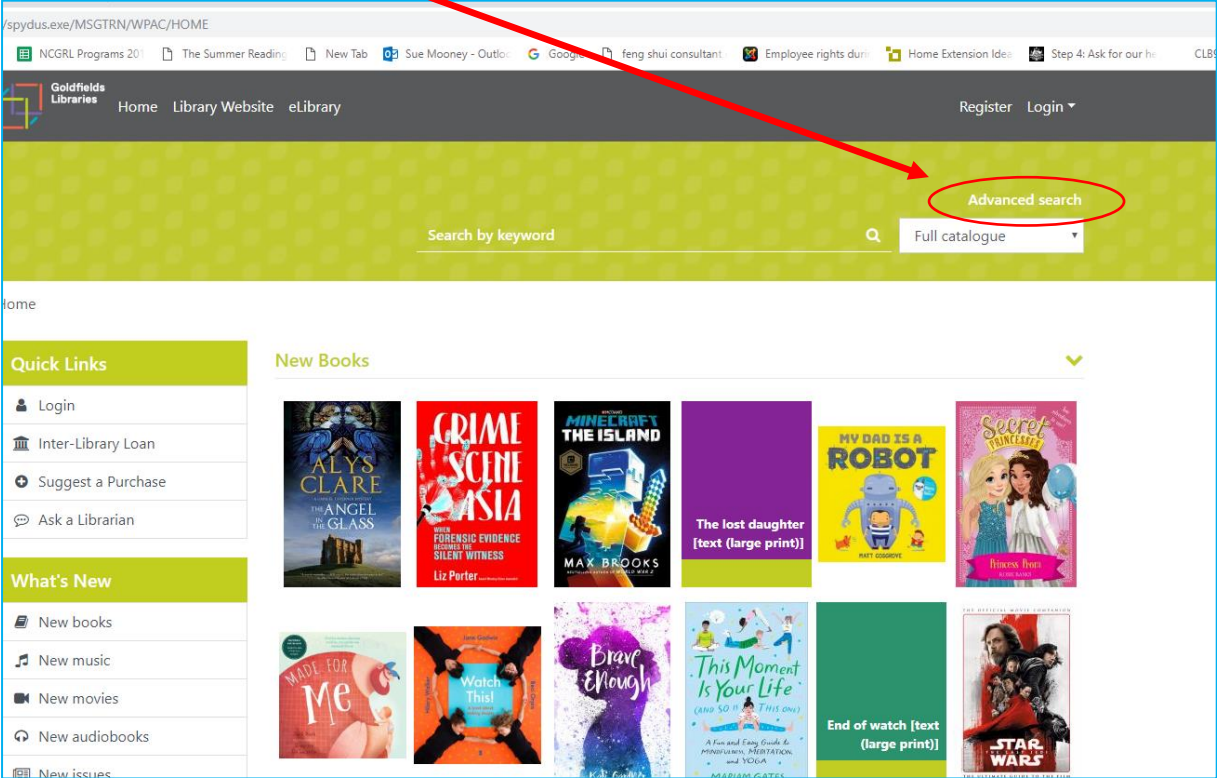

If your book club would like to make use of our Book Club sets:

- Your club nominates a person who will be responsible for collecting and returning the sets.
- This person will bring current photo ID to the library and set up a membership in the name of your club, with their own contact details such as email and/or mobile phone.
- The card will be used to reserve and collect sets. It is best to see what sets are available and not reserved for others before making a reservation. (Deferring your reserve will not guarantee you will get the set you want as others may jump in ahead of the deferred date)
- The responsible person will be notified when a set is available to collect.
- When reserving, It is important to note if a set is already on loan or has a prior reservation. Some sets will have the status 'mending' meaning they are out of circulation for a time.
- Sets are not self-loaned, but are borrowed from and returned to a staff member. The bag will be checked for 10 items on issuing and when returned.
- Single books must not be returned separately from the set.
- The loan period is 6 weeks, with a further 4 weeks if the set has been renewed.
- A replacement cost applies for lost or damaged items.
